BULKY WASTE, METALS, & HOUSEHOLD WASTE DAY

Saturday July 20th, 2024, 8 AM to Noon

1342 VT Route 102, Bradley McVetty's Residence

TOWN OF MAIDSTONE
WASTE AND RECYCLABLE DISPOSAL INFORMATION

Vermont Legislature unanimously passed the Universal Recycling Law (Act 148) in 2012, which bans the three categories of materials from the trash in Vermont: Recyclables, Yard Debris and Food Scraps. In an effort to assist you, the Town of Maidstone, provides a list of Recyclable items.

Bags are available annually in July and can be picked up at Town Hall. You may pick up your free 52 bags for full time residents and 26 bags for seasonal residents, allowing 1 bag per week per year. You may put out more than one purple bag per week.

1. If you use your bags before July, you may purchase additional bags. **EACH ROLL OF 26 BAGS will cost \$78.00**, or by the bag at \$3.00 per bag.
2. The bags hold up to 30 to 35 pounds each. The bags are purple and are imprinted with "Town of Maidstone" in black print. Unofficial bags will not be picked up. If you use a trash bin, you may place the bag in the bin. (Due to a Resin shortage, in 2021, the Selectboard had to approve use of a purple bag "Official Use" in addition to the "Town of Maidstone" temporarily.)
3. Lists of items that need to be recycled are included with this information, as well as lists of acceptable **bulky item disposal materials** that shall be collected on **July 20th, at 1342 Route 102**, between 8 a.m. and noon at Bradley and Cheryl McVetty's residence. See below for other acceptable items.
4. The 2024 Waste Schedule is attached.
5. Continue to place recycling in separate recycling bins according to recycling guidelines.
6. The more you recycle, the fewer purple bags you will need. Why not agree to combine with a neighbor who only uses a small portion of their bag?

Additional information on this act and other waste or recycle questions may be obtained by contacting the NEKWMD at www.nekwmd.org, or calling 800 734-4602.

What are *Household Hazardous Products*? They are consumer products that contain ingredients that **may be**:
