

MAIDSTONE LAKE ASSOCIATION
WWW.MAIDSTONELAKE.NET

Dear Business or Rental Owner,

The Maidstone Lake Association is launching an official Website to help promote the sharing of information and resources across our community of 200 property owners. We feel it is important to have a Web based presence, as it will continue to foster a vibrant community.

We would like to offer you the opportunity to list your business or rental on our Website. There will be a "Business Affiliates" and "Rentals" section of the Website where folks can click to see what local services and rentals that are available. Your advertisement would include a small picture or logo if desired along with a few sentences of information on your business.

Your advertising support will help defray the development and operational costs of the Website. The costs are only \$50 a year.

If you are interested please fill out the form below along with payment (Checks made payable to MLA) and mail it to:
